**BALANCING ACT**

Produced exclusively for T Edward Wines in collaboration with Tamarack Cellars. Balancing Act Cabernet follows the smashing success of the Chardonnay’s first release and promises to rival it.

Founded in 1998 by Ron and Jamie Coleman, Tamarack Cellars is dedicated to the production of small lot, hand-crafted wines from select vineyards in the Walla Walla Valley, Rattle Snake Hills, Horse Heaven Hills, Wahluke Slope, Yakima Valley, Red Mountain and Columbia Valley appellations.

The Tamarack Cellars winery is located in a restored WW II fire station and barracks at the Walla Walla Airport Complex. Varieties include Cabernet Sauvignon, Merlot, DuBrul Vineyard Reserve, Syrah, Chardonnay, Cabernet Franc, Sangiovese, and Firehouse Red. Ron Coleman serves as winemaker and general manager. He comes to the job after a long career in the wine industry with experience in wholesale and retail sales, as a sommelier, and through cellar work for Waterbrook and Canoe Ridge wineries.

**CABERNET SAUVIGNON**

Varietal/Blend: Cabernet  
Farming Practices: sustainable  
Soil: varied  
Yeast: selected  
Aging: 50% new oak (French and American)  
Sulfur: yes  
Alcohol: 14.2%

The nose on the Balancing Act Cabernet Sauvignon leads with bright red and purple fruit with hints of leather, pencil shavings and lingering black peppercorn notes. On the palate, tart cherry leads the way, followed by flavors of savory roasted meat and creamy mocha, finishing with smooth, graceful tannins. Pair the Balancing Act Cab with steaks off the grill or your favorite pot roast recipe.

Country: United States  
Region: Washington State
