ABOUT THIS BOTTLE

Rose petal, honeysuckle, and lavender aromas emerge prominently from this new and aromatic vintage of Mencia. True to the house style, this wine is characterized by a lighter body while still offering texture and distinctive tannins. The palate is further enhanced by notes of white pepper, crushed gravel, and graphite, contributing to the wine's overall character.

Analemma Wines showcases a robust commitment to sustainable practices through its Biodynamic approach to winemaking. As a certified Biodynamic grower-producer, the winery emphasizes environmentally responsible and holistic farming methods.
