### ABOUT THIS BOTTLE

The Brack Mountain 'Bench' Pinot Noir 2022 is celebrated for its vibrant and expressive flavor profile. The wine opens with an enticing bouquet of red fruits, particularly cherry and raspberry, which are complemented by subtle floral notes. On the palate, it showcases a delightful blend of ripe strawberries and tart cherries, providing a refreshing acidity that balances the fruitiness. The finish is smooth and lingering, with hints of spice and earthiness that add complexity to the overall experience.

Brack Mountain Wine Company stands out for its dedication to sustainable viticulture and winemaking, aligning with both local traditions and modern environmental stewardship efforts.
