All about this bottle

The Whiskey Cream Liqueur by Samuel Gelston's is a delightful Irish Whiskey Liqueur crafted by blending the finest Irish whiskey with smooth, rich cream, and luscious chocolate. It offers a taste experience of luscious milk chocolate and vibrant vanilla complemented by the smooth, rich Irish Whiskey, finishing with delicate spice notes. This liqueur can be enjoyed on its own, chilled, added to coffee or hot chocolate, used in desserts, with ice cream, or in homemade chocolate truffles. It has a mocha color, a nose of milk chocolate and vanilla, a palate with a smooth underlying whiskey hit and creamy chocolate, and finishes with a smooth, sweet chocolate ice cream taste.
