ABOUT THIS BOTTLE

The 2020 Three by Wade Cabernet Sauvignon was created with the intention of crafting a wine suitable for both grand celebrations and casual Tuesday evenings. This vision led the team at Wade Cellars to source grapes from Napa Valley, as well as emerging regions in Paso Robles and Mendocino County. The winemaking process combines modern techniques with traditional practices, resulting in a style that is distinctly Californian. The team draws inspiration from wines that deliver impactful flavors without excess. This Cabernet exhibits a harmonious balance of weight, texture, and depth/qualities characteristic of the finest Cabernets worldwide. Each of these elements reflects the core philosophy of Wade Cellars: to produce a bottle that embodies everyday luxury. On the nose, this Cabernet presents aromas of black plum, graphite, and fresh blackberry, layered with notes of clove and dried rose petals. The fine tannins harmonize beautifully with the acidity, providing this classically styled Cabernet with true balance and structure.
