Farming Methods:	by hand / Chenin at relatively low sugar levels / Viognier at higher ripeness
Fermentation Methods:	whole cluster press / temperature controlled fermentation over 30 days in stainless steel tanks
Winemaker:	Jonathan Keyes
Fining/Filtration:	polish filtration

All about this bottle

Wade Cellars was born out of Dwyane Wade's love of the great wines of Napa Valley. Inspired by the opulent Cabernet Sauvignons of this famed American wine growing region, Dwyane sought out the advice and mentorship of his friend Jayson Pahlmeyer to collaborate on the production of Wade Cellars. Since the first vintage in 2012, the production range has expanded to a diverse collection of wines that are inspired by California's rich winemaking tradition with a healthy dose of D-Wade style. "The color is a light white with vibrant golden hues. Broad and full-figured but with refreshing acidity. Initial aromatics are lifted by the light dose of Viognier - zesty lemon, juicy tropical fruits, and white flowers merge on the palate with a tangy texture and mouthwatering fruit. Our 2019 vintage is a delicious wine to drink now or could be cellared for the next 1-3 years." - Winemaker's notes
